Experiential learning is a process through which students develop knowledge, skills, and values from direct experiences outside a traditional academic setting. The David Matz Fellowship Program enables awardees to participate in summer experiential learning opportunities. Please join us as the 2024 David Matz Fellows, Buket Altincelep, Tayla Dunne-Duarte, Pao Munoz Gamboa, Dominic Offei and Adebobola Omowon, discuss the significance of their summer experiential learning experiences.

For disability-related accommodations, including dietary accommodations, please visit www.ada.umb.edu two weeks prior to the event.
