How/Why can artistic authenticity be compromised by restoration and conservation efforts			
How/Why can artistic authenticity be enhanced by restoration and conservation efforts			

This is not an outline for an essay. It is a useful tool for organizing your thoughts and materials. To use the form, put the page number of the sentences or quotations into an appropriate cell. Then, working one row at a time, you will be able to identify the ways that the sources intersect with or disagree with each other. Doing this will help you to form paragraphs that are about the commonalities and differences between the readings.
